In re Delphi Corporation, et al.

Chapter 11 Bankruptcy Case Nos.: 05-44481 (AJG) (Jointly Administered)
United States Bankruptcy Court, Southern District of New York

Dear Mr. Meisler:

This Firm is counsel to Murata Electronics North America, Inc. ("Murata").

On behalf of Murata, this is to advise you that, pursuant to Section 2-702 of the Uniform Commercial Code, Section 546(c) of the United States Bankruptcy Code (the "Bankruptcy Code") and the common law, Murata hereby requests reclamation of all material (the "Material") received by, and/or delivered to, Delphi Corporation and/or its affiliates ("Delphi"), the above referenced debtors and debtors-in-possession, on or within ten (10) days of the date of this letter or such extended time period as is authorized by the Bankruptcy Code (twenty days). During this time period, Delphi was insolvent. The Material was sold in the ordinary course of Murata's business and is believed to have been delivered to Delphi within the statutory time period for a valid reclamation claim.

Copies of the supporting documentation for Murata's reclamation claim are attached as Exhibits A, B, and C, and incorporated by reference in this letter.

At this time, we are able to estimate that the aggregate amount of Murata's reclamation claim for the time period at issue \$567,469.20. It is possible, however, that Delphi received additional Material from Murata during the reclamation time period in excess of this amount.

This reclamation demand letter shall not constitute a waiver of any rights, interests, claims, causes of actions, and/or interests under any agreement, at common law, by statute, or in equity, to which Murata and Delphi are parties. This letter is intended to serve as Murata's written notice that it has made a formal demand for reclamation under state law and as provided in Section 546(c) of the Bankruptcy Code.

In closing, Murata will pursue its rights and remedies in law and equity to recover the Material. This may include, among other things, the filing of a reclamation complaint with the Bankruptcy Court and request for a temporary restraining order and preliminary injunction unless we hear from you on or before 10:00 a.m. Eastern Standard Time on October 14, 2005. Furthermore, this reclamation demand letter is without prejudice to Murata's right to claim that the Material is owned by Murata and has yet to be received by Delphi.

If you have questions with respect to the foregoing, please contact me at (212) 218-5269 or by e-mail at rdremluk@seyfarth.com. If for some reason you cannot reach me, you may also contact my colleague Paul M. Baisier at (404) 885-6715 or at pbaisier@seyfarth.com.
